Planning Guide for Classes

Use this guide to help you plan which classes will work into your personal Lucky Star schedule. After you've made your decisions, enter your selections online at

<http://luckystarartcamp.com/camp/register/>.

Your first choice classes for each day should be what you would consider your "Dream Schedule". Your second choice classes should be the other classes you'd be interested in taking in case your first choice class/classes are already full. We want you to be a happy camper so we will do our best to get you as many of your favorite classes as possible!

You will get your official class schedule a few weeks before camp. It's best to wait until you get your official schedule before you start buying class supplies!
